Install Instructions

Lacrosse Goal External Portable Mobility Wheel Kit

Product No.	Product Description
LCGWK	Lacrosse Goal External Portable Mobility Wheel Kit

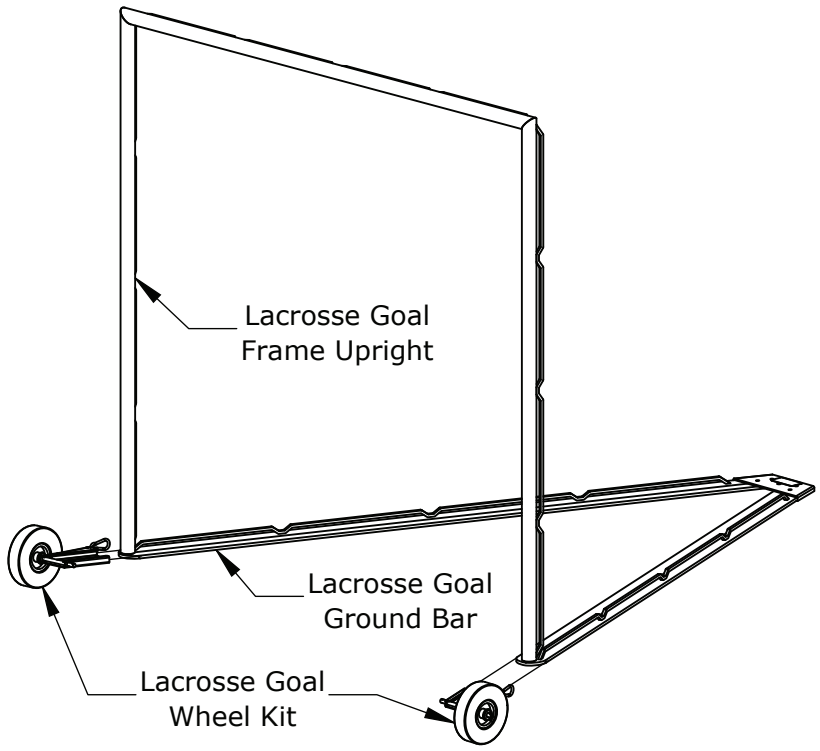

Lacrosse Goal External Portable Mobility Wheel Kit..... ID-00559

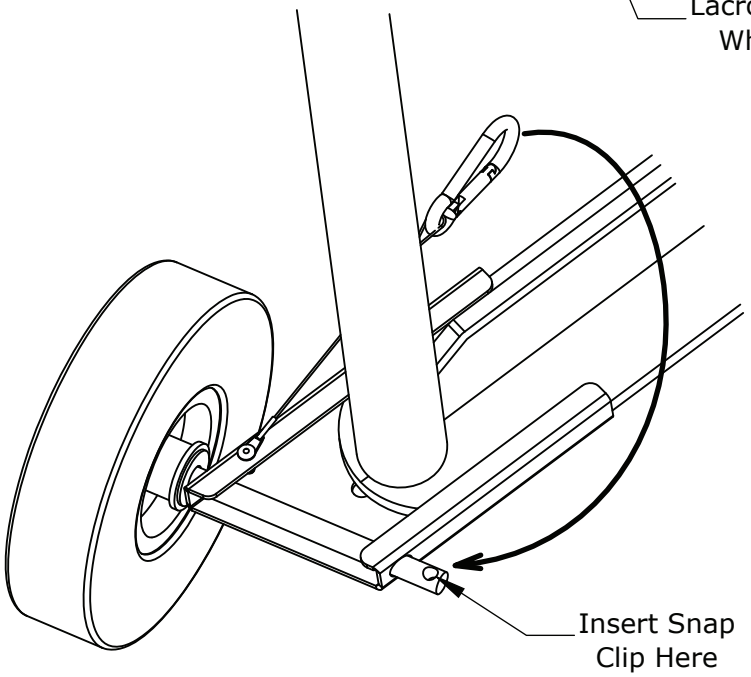

Step 1: Installing Lacrosse Goal External Portable Mobility Wheel Kit

Install the Lacrosse Goal External Portable Mobility Wheel Kit by sliding the Wheel Bracket onto the front side of the Lacrosse Ground Bar as shown in the image below. Clip the Wheel Kit in place by wrapping the lanyard around the back of the Lacrosse Goal Frame Upright and inserting the snap clip into the hole located on the opposing end of the Wheel Kit as shown below.

Step 2: Uninstalling Lacrosse Goal External Portable Mobility Wheel Kit

Reverse the above procedure to remove the Lacrosse Goal External Portable Mobility Wheel Kit.

IMPORTANT NOTE: WHEEL KITS ARE TO BE USED ONLY WHEN A SCHEDULED MOVE OF THE GOAL IS REQUIRED. AT ANY OTHER TIME, THE WHEEL KITS ARE TO BE STORED SEPARATELY FROM THE GOAL
