5. Recheck all fasteners for tightness and ensure net is tight to the goal at all locations. Assembly complete.

6. To safely transport goal always use two people, as lacrosse goals are both awkward and heavy.

Safety Suggestions:

1. Never attempt to move goal with one person.
2. Verify that goal location is flat and that the game is supervised.
3. Goal should be checked prior to each use; verify that all fasteners are in place and tight, and that the net is tight to the goal.

Optional Wheel Kit:
